From the Mission Support Group We have a new letter from our CMS partner Awais bringing us up to date on her work in Leeds. Her main roles are with asylum seekers and refugees, helping them improve their language skills and working in the area of interfaith and intercultural understanding. The letter will be on the Mission noticeboard at St. Matthew's for two or three weeks, then at St. Saviour's.

From Bob and Suzanne We were so delighted to welcome about 60 of you from the Benefice to Bob's Induction Service. It meant so much to us that you came. Thank you! We also thought you might like to know how we have spent your very generous gift – you may or may not know that the gift included some place mats by Bingley artist Jane Fielder which remind us of the Bingley area. Also, the Vicarage here had an empty fireplace in the lounge with no gas fire, or gas point, or flue, which left us with electric options only. We found that it is now possible to obtain electric stoves which have a great real flame and smoke effect and so we have treated ourselves to one, so your gift warms us each evening when we sit in the lounge. Do come and see sometime! Our prayers for you all.

Love Bob and Suzanne

CHURCH SERVICE THRILL

Vestry Roof Collapses

Bishop of Bradford's Narrow Escape

The Bishop of Bradford had a narrow escape at the Wilsden Parish Church on Sunday morning. The roof of the vestry, in which he had been sitting previous to occupying the pulpit, fell with a crash when he was about half-way through his sermon.

The bishop had been sitting at a table in the vestry before entering the church, and about three-quarters of an hour after he left the room the congregation was alarmed by hearing a loud crash.

Upon investigation it was found that half of the roof had fallen on and around the identical chair upon which the bishop had sat, bringing with it a large amount of plaster, laths and other building material. Had the fall taken place when the bishop was in the room there is no doubt he would have been seriously injured, if not worse, for the amount of debris which fell was of considerable weight and fell from a great height.

The service was a special one conducted by the Bishop to commemorate the one hundredth anniversary of the church and a particularly large congregation was present.

The Bishop did not allow it to interrupt his sermon.
