**Grace Memorial Church, Lynchburg VA** Touch of Grace, which I used to put on the noticeboard, no longer comes by post. You can find lots about them on their website [gracelynchburg.org](http://gracelynchburg.org) which also give the opportunity to subscribe to their news. Astrid

**Village Welcome Packs.** Do keep in mind these useful introductions to church and community activities in our villages. If you notice someone new move in near you please call and deliver a pack. To prevent duplication please then record your visit on the lists on church notice boards. The information has been recently updated. At St. Matthew's the packs are kept in the vicar's vestry and at St. Saviour's in the choir vestry. More information is available from Helen Ludkin.

Help will be welcome on the Friday afternoon from 4pm and also after the event on the Saturday. (A quick turnaround is needed to prepare the room for the Lego Club.)

You may be aware that Traidcraft is in some financial difficulty and may not be able to continue in its present form. Your support this autumn is therefore especially welcome.

**Inter Faith Week 2018** takes place from 11th to 18th November and is a great opportunity to focus on interfaith understanding and cooperation.

- It highlights the good work done by local faith, inter faith and faith-based groups and organisations
- Draws new people into inter faith learning and cooperation
- Enables greater interaction between people of different backgrounds
- Helps develop integrated and neighbourly communities
- Celebrates diversity and commonality
- Opens new possibilities for partnership

Building good relationships and working partnerships between people of different faiths and beliefs is part of the year-round work of many people and organisations across the UK. Having a special week provides a focal point, helping to open inter faith activity up to a wider audience so that more and more people are made aware of the importance of this vital work and are able to participate in it.
