Denholme Shared Church became an Eco Church in 2021, achieved a Bronze Award and is well on the way to a Silver Award.

The Eco Church scheme by Rocha UK encourages us all to be aware of God's amazing creation and advises how we can all help in reversing some of the global damage caused by our lifestyle choices.

Filling in a simple survey shows how your church is currently doing and there are lots of resources and advice to improve and hopefully set you on your way to the Gold Award.

Just Google Eco Church to find out more.
