Mission Support Our CMS partner Awais has sent a new Link Letter. She has continued to teach English to refugees and new arrivals in the UK through online classes, but has missed being able to lead face-to-face creative activities. She has stayed in touch by phone with members of the women's group pastoral committee. As lockdown continued into Lent, Awais printed out a Lent resource produced by CMS and sent it to some of the ladies by post, encouraging them to make the Lent season more reflective and useful while sitting on their own. I am sorry it is not possible to share the whole letter with everyone, but Awais concludes:

"My special prayers and thanks to all my supporters for their thoughtful donations and prayers in these challenging times. May Easter season, a sign of life, bring hope and strengthen you all to stay confident of His presence and healing throughout these sufferings as He is watching over your lives, Wish you all a bright Easter. With love and prayers Awais."

Normally we would have raised money for CMS during Lent. I know our partner and CMS would be most grateful for any donations, which can be made online at churchmissionsociety.org/awais.

Prayers for the week beginning Sunday 11th April

Because of print deadlines this prayer diary cannot respond quickly to breaking news. In addition to the suggested topics, please keep in prayer national and international events as you learn of them.

Sunday 11 April	As we begin to join in worship in our churches, pray for those you see and for those who are not yet able to make this move.
Monday 12 April	As the days grow brighter and we begin to enjoy more freedom to be out, pray for the natural world, for care for the countryside and for a real reduction in waste and pollution.
Tuesday 13 April	With the tragedy at Goit Stock still very much in our minds, pray for all those affected. Pray that people, understandably eager for the benefits of beautiful outdoor locations, may enjoy these places while showing great care and thoughtfulness for themselves and all around them.
Wednesday 14 April	Pray for businesses in our villages taking those first steps towards re-opening.
Thursday 15 April	Pray for the work of CMS in South America. Today they ask us to pray for a mission partner in Chile, that he may find ways to make virtual church meetings more creative and dynamic.
Friday 16 April	The Leprosy Mission ask us to pray for their work in Mozambique, particularly for their Hubs of Hope centres in rural areas, funded by this year's Unconditional Appeal.
Saturday 17 April	Pray for the Children's Society and their work among young people at risk of abuse.
